

Health & Safety Policy

DRD is committed to work in a safe and healthy environment. It is our earnest endeavor to complete all minor and major jobs/tasks within allotted time with no loss of any kind with "ZERO TOLERANCE" in the following :

- Injuries to employees
- Mechanical upholds
- Time losses
- Environment impact
- Financial losses

DRD is the first company in private sector of Pakistan to achieve 120,000 LTI hours. While we are very proud of our achievements and records, nonetheless, we are determined to continuously move upwards in our health and safety management system which encompasses training of staff, adherence to procedures, flow of information, risk assessment and ensuring to take corrective and precautionary measures.

Comprehensive health and safety policy have given DRD, its international and local clients firm basis to trust in DRD and its employees for the last two decades.

Furthermore, DRD is under way to devise various committees to regularly monitor and upgrade the system. This will make sure that every employee will go home with ZERO harm because healthy employees mean healthy DRD.
